

# TALYST®

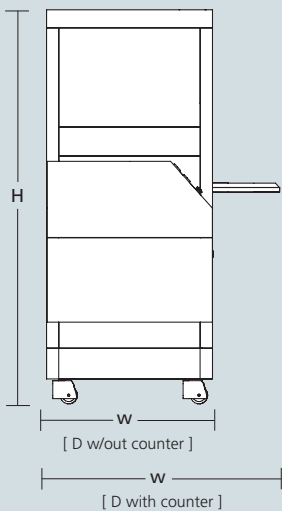

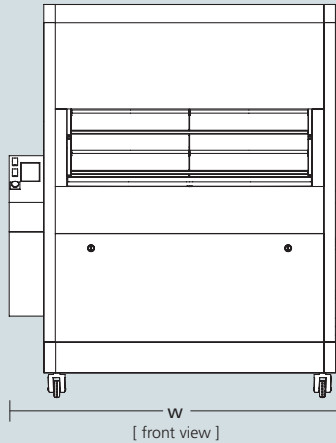

## AUTOCAROUSEL MINI: Secure Automated Storage

Specification Sheet

**AutoCarousel® Mini** provides secure, automated storage for all of your medications. It is easy to use, accurate, and its efficient vertical design ensures maximum storage in a compact footprint. AutoCarousel Mini is the smallest model and is perfect for compact spaces.

## AUTOCAROUSEL MINI: Compact Model Specifications

**AutoCarousel® Mini** is the most compact model and is designed to fit through a standard doorway. It allows you to reclaim pharmacy space by decreasing your required storage space by 30% to 50% and ensures accurate order filling with pick-to-light indicators and bar code verification

### DIMENSIONS
